

E0015 HBC E-stops out of Production

Date: 11 June 2007	Version 1	Electrical	E0015
--------------------	-----------	------------	-------

HBC Radio remote E-stops are no longer being manufactured.

If a replacement is required, use from Steelbro stock: Both EL-31080 (switch) and EL-31087 (block contact).

Or a compatible E-stop can be purchased from Radio Spares, www.rsnewzealand.com in NZ and www.rsaustralia.com in Australia. The part number is 425 8433.
