

## **TB0004 Metric Pipe and Fittings**

Date: 20/12/98

As from serial number **SB6326** STEELBRO SB360, SB300 and SB330 Sidelifters will be fitted with metric pipe. The two exceptions to this are listed below. These two units are fitted with Imperial pipe and fittings.

Serial # SB6327 SB30 truck mount

Serial # SB6337 SB30 truck mount

The MK4 Sidelifter will remain in Imperial pipe with the Swagelock fittings.

This pipe is manufactured to the DIN standard and comes electroplated.
