

TB0015 SB360 Leg Extension Pipe Change

Date: 08/09/00

As from serial number **SB6637** STEELBRO SB360 Sidelifters have leg extend pipes from the PVG valve that run under the leg tilt and no longer require joiners.

In the HC Kit HydraulicPipes under PVG 32 Valve:

Module	Was:	Replaced with:
Stabiliser Leg Extend Left Hand Module	L8-S/E,A + L17-S/E,A L7-S/E,B + L16-S/E,B	L8-S/E,A L7-S/E,B
Stabiliser Leg Extend Right Hand Module	R7-S/E,A + R16-S/E,A R8-S/E,B + R17-S/E,B	R7-S/E,A R8-S/E,B

This is not a part number for spare parts, it is how the pipes are identified under the kits part number.
