

TB0019 SB300/330 Module Stabiliser Extend Pipe Change

Date: 14/09/00

As from serial number **SB6664**, STEELBRO SB300 and SB330 Sidelifters have had a pipe change on the module, from the PVG 32 to the leg extension hose as shown in picture below.

Length has been added to the pipe to allow for a double clamp and the corner cut for stop block clearance.

Corner cut back for clearance

Double clamp

Double clamp
