

**TB0028 Introduction of new 90% and 100% switches**

Date: 07/08/03

The ongoing improvement of Steelbro Sidelifters has meant a change of the pressure switches used to signal 90% and 100% load.

Switch 'ACT' part number CE40M has superseded the original switch 'SUCO' part number 0161-4414-3-001.

This change was made 1<sup>st</sup> July 2003 from unit SB7149 onward.
